Okay, we're not going to sit here and bash boys because we love them. But we like girls, too. INITIATION

It had been five years since they'd seen each other. Would Kathy be able to tell that Corinne's sexual preferences had changed? Would it affect their friendship?

I couldn't wait to see her! I hadn't seen my good friend Kathy since college; this would be our first get-together after five years. I was flying into her city on business. I wondered if she'd changed as I had. Over the course of those five years, I'd been married briefly and divorced and even had a couple of lesbian affairs, which unfortunately didn't work out. But I did discover that I prefer sex and love with other girls, and I've embraced that fact, confident that one day I'd find a long-lasting lover. In the meantime, I was determined to have fun with whomever I happened to come across.

I adjusted my seatbelt as the captain announced we'd be arriving in 20 minutes. As I did, I wondered if Kathy would be able to discern the change in me. I didn't think my appearance had altered much. I was still pretty and feminine…certainly not butch! What if she picked up on the "new me"—would it upset her? The plan was for me to stay with her for the next three days and catch up and visit, then move to a hotel for the remainder of the week and attend to the business I was there for.

Her boyfriend happened to be out of town, so the timing was perfect. She'd have lots of free time. Maybe we could go out clubbing one night? I felt my pussy twinge tightly at the thought of a new dance club and new girls to talk to. Possibly fuck! But how to do that around Kathy? A problem.

We spotted one another right away at the terminal gate and flew into each other's arms. We chatted as we drove back to her place, and it was like the five years had never passed.

Now that she'd turned 26, Kathy was even more beautiful than ever. I couldn't help sidelong glances to her firm breasts under her white T-shirt and her long, denim-clad legs. At a stop light, she turned and flicked her long blonde hair over her shoulder as she gave me a beaming smile and said, "I like your hair cut short." Oh, this was going to be a long three nights! I groaned to myself.

Kathy turned the car into her garage and pushed the button to close the door. She turned to me and smiled mysteriously. I had the funniest feeling she knew about the change in me. I got out of the car and followed her inside. "Let's order in, Corinne. Chinese? Pizza?" Kathy asked me as I dropped my bags in her living room. She had the phone book out and was scanning restaurants.

"Chinese sounds good," I said.

Forty-five minutes later, we were seated on the living room floor in front of the coffee table, eating right from the cartons, laughing, and talking, catching up on our lives. I couldn't help wanting her. This was crazy, but I wanted to open her blouse and lick her nipples, roll my tongue over them and suck them, and make her moan in pleasure. And what I wanted to do with her pussy! Ohhh…. I kept worrying that she'd somehow discern what I was thinking, sure she'd freak if she knew my thoughts. I just kept nodding and smiling while she talked, and all the while I pictured myself ravishing her.

"Let's go to Nexus. It's a fab club, and Bobby never takes me there. He's such a dork at times." She finished her carton of food and set it down to look at me.

"Mmmmm-hmmmmmm." I had to finish chewing my mouthful, but I nodded emphatically in agreement.

We were changing clothes, and when I went to as Kathy if she thought my dress was too short, I caught her topless. She didn't bother to cover up as she talked to me. "No, your dress is just fine," she said, standing with her hands on her hips. Small, firm tits stared me in the face. I couldn't take my eyes off them. The brownish nipples were so perky and invitingly puckered. "Shows off your long, slender legs," she added.

I went back to my room, hardly able to breathe, my pussy wet with excitement. I slipped a hand down inside my pink panties, fingering myself for a few minutes, nearly coming. I had to calm down! Somehow get Kathy out of my head. Maybe I'd meet someone tonight, get fucked, and get back to Kathy's without her knowing what I'd been up to. But realistically, I was sure I wouldn't get away with it.

The club music was terrific. The constant bass beat throbbed through my already-aroused body. I quickly noticed girls dancing with girls and guys with guys. Ah, my kind of club! Kathy noticed me looking in the direction of two girls embracing. She grinned. "That's why Bobby won't come here." She giggled. After I had a couple of drinks and a couple of dances with guys, a girl who'd been making eye contact with me walked over. Shouting to be heard, she asked me to dance. Kathy looked at me curiously. To hell with it, I thought.

"Sure," I replied and headed for the dance floor with my new friend.

After several dances I returned to the table to find Kathy looking at me with a whole new expression. I couldn't read it. "You were flirting with that girl," she finally said. It sounded like she'd had a couple more drinks while I was dancing.

"Um, yeah, I guess I was." Well, I'd better pack up and head to the hotel tonight.

"I think we should go now," she said and stood up. Her nipples through her white dress were at attention. She caught my appreciative gaze. Back at her home we separately dressed for bed. Feeling a bit woozy, I went to her room to say good-night and thank her for not throwing me out. The door was slightly open. I knocked as I entered, and to my surprise I found Kathy lying on the bed naked! "What—" I started to say.

"Come in," she said, staring at me. Her tits were heaving as if she were having trouble breathing. "I know about you. I could tell as soon as I laid eyes on you at the airport."

"What do you mean—"

"Come here." Her arms opened to me.

We held each other gently, stroking each other's soft skin. I felt her trembling. Though she'd never been with a girl before, Kathy said, she'd fantasized about it. So…why not with a good friend? Now the opportunity was there. Grab it! I certainly was not about to argue.

Kathy lay back on the bed, while I reached for the vanilla lotion I noticed on the nightstand. I couldn't

believe I had her here with me like this. I thought I'd give Kathy a massage with the lotion and was determined to give her the best one she'd ever had. I had her first lie on her stomach. Starting with her feet, I moved slowly up her legs, making sure to spend extra time on the places where I knew it would feel best: her soles, the backs of her knees, tickling up her thighs….

Altogether it took me a good half-hour to do her just as she lay face-down. Then I had her roll over, exposing her front. This time I started at the top. I massaged the lotion carefully into her arms, working my way down to her neck and shoulders.

I knew my efforts were paying off by the totally relaxed look on her pretty face. Kathy let out a gentle sigh as I started massaging her firm tits. I continued to massage them with my fingers while gently using my thumbs to play with her stiff nipples.

I moved my massage away from her tits only after I noticed her hips start to gyrate from the arousal. Her thighs started to part a little more, a little more. I glanced down and caught sight of the wet pinkness of her pussy. It was hard to restrain myself from not diving down there right then. I spent the next 30 minutes or so massaging her stomach, sides, and legs. I was intentionally leaving her pussy for last. Kathy looked like she had fallen asleep, so I tweaked one of her nipples.

"Ouch!" she yelped giving me a puzzled look.

"I just wanted to make sure you were awake to enjoy this," I told her. Kathy assured me she was feeling every bit of the pleasure I was giving her.

This massage gave me my first opportunity to really check out her body closely. For her slender size, she was actually quite muscular, like me. Her skin was flawless and lightly tanned. Kathy's pussy-hair was incredibly soft. I started by slowly kissing around the edges of her incredibly beautiful mound, moving the thick hair aside with my fingers so my lips would contact the soft skin of her inner thighs.

Sensing what I was up to, Kathy opened her legs wider, exposing herself to me completely. I couldn't believe how much I was enjoying this. I continued to alternately kiss and lick all around her pussy. She wanted me to make contact with her clit, but I was holding off, making her want it all the more.

Sometimes I used the tip of my tongue to work through her hair and touch her labia. At others, I just licked her inner lips with the flat of my tongue, carefully avoiding that little bundle of nerves. Kathy jerked a bit when I rubbed my nose across her clitoris. She smelled delicious to me.

Her taste was sweet honey. I dipped a finger inside her clasping hole and pulled it back out, licking it clean. Yes, like honey. From the way Kathy was playing with her nipples, I could see she was really getting into this. I put the tip of my tongue at the base of her slit. She began to raise and lower her hips as I slowly worked my tongue upward. In her heat, she was pumping out a flood of juice.

I buried my tongue as far inside her as I could. This pushed her on button. She let out a loud moan and bucked her pelvic bone into my nose, so that I saw stars. Nonetheless, I kept working my tongue in and out as Kathy came closer and closer to orgasm. I couldn't believe how wet she was.

I kept licking and poking with my tongue; then every so often I flicked it across her clit, making her shudder with pleasure.

All this was getting me so horny, I started fingering myself at the same time. Finally, when I figured Kathy was just about to come, I sucked the whole

of her clit into my mouth. She let out a scream of pleasure, and then her whole body stiffened with orgasm. I rolled onto my back, thighs wide, and with one hard squeeze of my own clit, I joined her in orgasmic ecstasy.

We both lay there awhile, enjoying the feeling before saying anything to each other. My mind was racing. I'd never expected this to happen! Finally she rolled over and up on her elbows. Her blonde hair was mussed sexily. "Bobby would shit!" Then she giggled.

"Let me do you…please?" she begged as she scooted down toward my pussy.

"But you don't have to. I already came." I didn't want her to push herself. She might have second thoughts in the morning, and then I'd surely find myself in the hotel sooner than I'd expected.

"But I want to!"

What could I say? I lay back and opened my legs, letting her tickle up and down my inner thighs. Mmmmm, her long painted nails felt good. She watched my pussy open and juice up again. "I want to be initiated in the pussy-eaters' club."

I had to laugh at that one. But she was doing quite well. Kathy ran her tongue up and down each side of my pussy-lips, dipping her tongue in and out, scooping out my juices. Then she started sucking on my clit, sucking harder. My hips began to thrust up, and I felt my pussy-lips flower out. The girl knew what to do! Vibrating her tongue, she lashed over my clit while she spread my lips wide with her fingers. She was killer. I couldn't help the moans of pleasure as I climaxed again. I'd never before come twice in one night like this.

My thighs shuddered and jerked as she gnawed at me like a hungry she-wolf. A warm blanket of satisfaction settled over me, and I finally had to gently push her head away. "You did just fine, Kathy! Fine! Outdid yourself!"

She grinned at me, her beautiful face slick with my juices. If Bobby could only see her now! It was my turn to giggle. The rest of my visit was more of the same incredible pleasures. Kathy was an ardent lover and so quick to please. I decided to spend the rest of the week with her and forget the hotel. Bobby came home a couple of days earlier than expected, and I know he knew something was up, but Kathy said he never mentioned a thing.

Finally I had to go home. Bobby stood by as we hugged and cried and promised to keep in touch. We promised each other another visit next year… possibly sooner if schedules allowed. She could come visit me this time. Bobby gave her the cocked eyebrow. But I had a feeling Bobby wouldn't be around come next year.

I've always been a tough one to pin down, except in the bedroom that is. I quickly lose interest in men. Note that I said men, not sex. I love sex with men, it's just some men I don't have much patience for. I like women, too, but there's just something about a real flesh and blood cock in me that I find really exciting. And I especially love it when they cum in the end!

Since I have a pretty open relationship, and I like to take advantage of it. But all that does, is tell you how much I want to have sex and every guy is different, so I like to sample the pleasures of the world. I cannot be bothered if anyone thinks I'm cheating or not, I'm here to have a good time and to show one to my current partner. To me, that is just good clean fun!

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

CHERRY ON THE BOTTOM

"You won't be a real woman till you lose your anal cherry," her friend told her. Well, Fiona wanted to be fully a woman, so…

Joanna said I wouldn't be a real woman until I lost my anal cherry. She'd been bragging and boasting ever since she came back from summer camp, where she worked as a counselor. Instead of watching the kiddies, she'd been out in the woods getting her butt-hole pumped at every opportunity. At least that was how she told it. I wasn't sure if I believed it or not.

"Don't you think it would be really hard to get a big old prick crammed into a tight little asshole?" I asked Tyler, my new boyfriend.

Tyler flipped me over and tickled the inside of my crack. It was real easy, because we were both naked at the time. At first, he tickled me with his fingers, but then he used the stiff head of his prick. I giggled. I just couldn't help myself. It felt sexy in a kinky way, but it surely seemed to me that Tyler's humongous tool was way too big to get into my hole. "Maybe Duncan isn't as big as I am," Tyler said complacently.

"Nobody's as big as you are!" I agreed. I'm only 19, and I'll admit I haven't seen that many pricks. But I'd measured Tyler with a ruler once, and he was a solid nine inches long. How many guys can say that with a straight face?

"Maybe it was a hot dog fuck," Tyler continued.

"What's that?" I asked.

He began to sweep his prick up and down the inside of my crack, just between my tight white buns. Then I got it. "Actually, it feels pretty good," I admitted. The length of his rod easily filled my crack, spreading my butt-cheeks wide apart. A knotted, pulsating vein was pressing into the tender pink opening of my virgin butt-hole. I began to feel awfully overheated. Fuck. Anything Joanna could do, I could do better, right?

"Where's the lube?" I asked.

Tyler swept it off the nightstand. We don't often need it—I have a pretty juicy pussy. However, he understood immediately why I was suddenly interested in a half-used tube of old lubricant. With a grin, he sat back on his heels and squeezed a big gob into the palm of his hand, where he warmed it to his body temperature. Then he greased my ass-crack, taking care to spread most of the cream in the tight circle around and on top of my twitching rosebud.

What was I getting myself into? Even his fingertips felt huge! Yet I'd always been attracted to Tyler's size. It made me feel so satisfied, so utterly fulfilled when he crammed himself to the limits in my pussy. I just had to know what it would be like to have him in my ass.

THE LENGTH OF HIS ROD EASILY FILLED MY CRACK, SPREADING MY BUTT-CHEEKS WIDE APART.

He used his thumb to stir the lube around. It came out of my hole with a nasty pop. I couldn't help but giggle out of nervousness and excitement. "Please, Tyler," I whispered. "I'm ready. Don't make me wait any longer."

All at once, he was full-length on top of me. I'm a small, slim girl, while Tyler is a large, muscular guy. When he covers me, he really covers me. If someone had tried to film the scene, they wouldn't have

+ a $3.89 connect fee. Credit card, Check by Phone. Adults 18+ only seen anything of me except maybe my toes peeping out. I loved the warm feeling of being totally blanketed by Tyler's powerful body. His prick was a hot, sticky probe that eased its way into my crack. He gave me a few more hot-dog strokes, then shifted his orientation so he was coming at my asshole prickhead-first. The thick, knotted head caught at my virgin sphincter, and I wondered for a minute if he'd be able to get inside at all.

"Easy, baby," he murmured. "We're not going to rush this. I'm not going to push it. I'm just going to tickle your butt-hole for a few minutes. Mmmm, yes. Doesn't that feel good?"

It did. Oh god, it did. I bucked underneath him. I was startled by the intensity of my own responses. There seemed to be a tight ring of muscles just within my opening. When Tyler nudged me like that, the ring quivered spastically. At first it snapped even more tightly shut, but then suddenly it completely dilated to suck him in. When I finally opened, I was transformed from tight-ass to vacuum-ass in the blink of an eye. Tyler hardly had to stroke downward at all, because my own internal butt muscles had seized hold of him and dragged him in.

"Wow!" I exclaimed. "I can't believe how big you feel inside me!" My stomach was puffed out into the mattress, and my pussy was being squeezed so that its own inner walls were rubbing on my G-spot. Best of all, Tyler's enormous fuck-tool was discovering new hot spots buried deep within my bowels. I bucked again and again, unashamed of my passionate response to Tyler's deep-drilling strokes. Because my butt-hole was pasted over him like a second skin, I could feel everything—the little dribble of pre-cum syrup oozing from his prickhead, the pulsations in his distended prick-veins, even the tickle of a stray curly hair that had somehow gotten into my crack. It was just plain overwhelming.

"Tyler, fuck!" I shrieked. "I think I'm going to come!" The words weren't even out of my mouth before I was doing just that. My body lurched and then underwent a series of sexual seizures. I couldn't stop convulsing from head to toe. The inner lining of my rectum sucked down tight on Tyler's prick and wouldn't let it loose. I was wringing him out like a dirty dishrag, triggering an ejaculation that should have blasted me into orbit. When he tried to go soft, however, my asshole clamped down tight and stimulated him back to his former size. I didn't even know that I knew how to do that!

Joanna is right. Now I'm surely a real woman.

– Fiona, Michigan

THE INNER LINING OF MY RECTUM SUCKED DOWN ON TYLER'S PRICK AND WOULDN'T LET LOOSE.

NOOKIE NEXT DOOR

I had just moved into my new house and was anxious to meet my new neighbors. I stopped over one afternoon, but they weren't home. Luckily, their 19-year-old daughter, Sheila, was there, and boy, did she welcome me nicely.

I followed her into the house, expecting to be seated in their family room. Instead, Sheila took my hand and led me to a back bedroom. "Make yourself at home," she coaxed, pulling her T-shirt off over her head and revealing her perfect, pert breasts. Her nipples were already stiff, but still she took a moment to pinch and roll them between her fingers and thumbs.

"We don't have company very often," she said, her voice soft.

Now, I had been around, but I have to tell you I had never been with a woman who wanted that badly to get fucked. She didn't play hard to get, didn't just tease. She was seriously looking to get laid. She pushed her jeans and panties down, exposing her shaved slit. This gal was definitely horny, and I was going to give her exactly what she was looking for.

She stepped out of the crumpled clothing around her ankles, naked and vulnerable while I remained fully clothed. She fingered her dripping slit, then licked her fingers. "Wouldn't you like to fill my hot pussy with your big cock?"

Her big brown eyes were so innocent, yet she was obviously hungry for cock. I couldn't resist. My hard-on was already straining against the front of my jeans, struggling to escape from its denim prison. She dropped to her knees and crawled toward me. Her arms slipped around my waist while she nuzzled against my crotch. Her warm, wet mouth began to chew on the stiff denim. "Want me to suck it?" she asked.

I could only nod as she ripped open my button fly and reached inside. Her fingers curled around my throbbing stalk and stroked along my oversized cock. She didn't waste any time, slipping her hands under the waistband of my jeans and briefs and pulling them down. In an instant I was as naked as she was.

She swallowed up my cock like she had been starved for it. I She sucked and slurped on my boner, burying her nose in my curly bush. I was so horny, I didn't know how long I could hold back. I jabbed my cock in and out of her sexy mouth, so that my balls slapped against her chin. I was so close. Then she pulled away and leaned over, spreading her ass-cheeks.

"Like to get to know me better?" she asked.

I didn't need to be asked twice. I aimed my thick cock for her tight little sphincter. She groaned and wiggled her ass as I pushed against the muscle-ring guarding her hole. I pushed past the reluctant muscle, my cock sliding into the hot, wet crevice. She groaned and rammed her ass back against my groin again and again. "Oooh, yeah," she purred.

I slipped my arms around her, pushing my fingers into her slippery slit. I rubbed up one side of her wet slit and down the other, then plunged my fingers into her dripping pussy.

I could feel my cock slamming in and out of her body as my fingers pushed in and out of the slick tunnel. I was getting close, but not as fast as she was. She was definitely horny, ready to blow any second. But I had other plans.

I let my cock slide from her gaping hole, then pushed her onto the floor. I rolled her over, and she looked up at me like a wounded pup. I didn't speak, for a moment. She had to regain a little control. I didn't want her to cum too soon.

Then I jabbed my cock into her hot, wet pussy. I slammed forward. Then I altered my pace, fucking her long and slow and deep. She groaned, obviously frustrated. "Make me come, please," she begged. "Harder. Faster," she whimpered.

I had to take a couple of deep breaths to control my own need to slam into her hard and fast. I moved slowly, methodically, until my heavy load launched itself from my bloated balls. Finally I made one last, powerful lunge and buried my cock balls-deep in her pussy. Her body trembled beneath me, and her pussy contracted around my cock again and again, squeezing and massaging my length.

My muscles tensed and my cream blasted deep into her body. I dropped down on top of her and claimed her mouth, shoving my tongue into the warm wetness. My tongue danced around hers, then retreated.

I let my cock slide from her tight little pussy and rolled off her. Her eyes were squeezed shut and her fingers were rubbing her swollen clit. I watched as she brought herself to a second and then a third climax. I had never been with a woman who was so horny, so intense, and it was a real turn-on. I was about ready to go another round myself.

HER BODY TREMBLED BENEATH ME, AND HER PUSSY CONTRACTED AROUND ME.

I was disappointed when she got up and pulled on her clothes. "I'm here alone every afternoon. Just stop by anytime, and we'll pick up where we left off." Her words echoed in my head as I walked back to my house. I would plan my schedule so I could be with Sheila again—I just couldn't wait to bury my hard cock in her sexy young body once again.

ALEXIS

Yes, you can call me a bad girl, but I do it in a good way. I'm very open to having sex with a lot of guys and a lot of girls too. I've strayed before, many times, but now I have to tell anyone I'm in a relationship with that I've got to have sex with more than just them, if they want to stay with me. I'll give up my pussy or ass, but never my heart!

PRINZZESS & ALYSSA

We're old school kinda girls where lesbian loving was strictly forbidden. But we did taste the forbidden fruit that one time and we never regretted it. Not that it wasn't fun getting banged by a well hung stud, but afterwards many men brought along baggage we did not want to deal with. Women have baggage also, but it's baggage we can understand. So with that said, let's get on with the show.
